DETAILED ACTION

APPLICANTS' ARGUMENTS

Amended claims 1 and 13, filed 12/12/06, are acknowledged. Applicants' arguments and amendments, filed 12/12/06, have been fully considered and are persuasive with the Examiner's Amendment below. The examiner's amendment below overcomes the 35 USC 101 rejection. The species election is hereby withdrawn. All of the previous rejections and objections have been withdrawn.

The drawings, filed 12/12/06, are accepted by the Examiner.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Christopher Kilner on February 23, 2007.

In the claims:

In claim 1, line 21, inserting "and outputting" after "generating".

In claim 13, line 27, inserting "and outputting" after "generating".

REASONS FOR ALLOWANCE:

The following is an examiner's statement of reasons for allowance:

The invention is directed to a method and system for comparing a query dataset N with a subject dataset M including dividing data sets into elements, determining tasks, sending data from a master CPU to slave CPUs, returning task results to the master CPU, and generating and outputting a query result file. The prior art does not disclose the method and system as they are claimed in the instant invention. The objection to the drawing, mailed 11/2/06, was corrected with the replacement drawing, filed 12/12/06. The 35 USC 101 rejection for claims 1-23, mailed 11/2/06, was removed due to the Examiner's Amendment that adds a limitation reciting a concrete, tangible, and useful result. Because no outstanding rejections remain, the claimed invention is deemed allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
